Dear Commissioner Copps,

Thank you so much for coming to the American Mothers Convention on May 1, 2003 to receive our petitions and address our mothers about the FCC. I know that you have a very busy schedule and I appreciate your taking the time to be with us. It was such an honor to have you as our guest.

We had many wonderful comments of appreciation about your words. We are encouraged to know that someone with your character and wisdom sits in such a prestigious position at the FCC. I know that several of the mothers made calls about the pressing issue of joint broadcasters regulations. We are praying that your voice is heard on June 2nd.

In giving you over 12,000 signatures of moms from all across America at the conference, it showed only a token of how the majority of mothers feel today. I have enclosed another stack of petitions to add to your large pile. The signatures continue to come into our office, along with requests for updates on the progress of the family groups' meetings with the FCC. I look forward to updating them about what you are leading the way with at the FCC.

Thank you again for your time, effort and courage in serving the FCC and America's families. It will not be forgotten. If I personally, or the AMI membership can assist you in any way in the future, please feel free to contact us.

Sincerely,

Vickie Burress
